26-2483	Good afternoon, I am with the Law Offices of Jamie B. Naini, representing Mr. Isidro Reyes-Bautista. We are currently preparing his U-visa application and need to obtain a copy of the police report in order to proceed with filing Form I-918, Supplement B. Mr. Reyes recalls being the victim of two armed robberies at his apartment in Jackson, Mississippi, sometime between 2005 and 2006. He recalls that three Black men entered his apartment and robbed him at gunpoint on both occasions. The second robbery occurred approximately 15 days after the first. Unfortunately, he does not remember the exact dates of either incident. We would greatly appreciate your assistance in locating and providing copies of the police reports associated with these incidents. Please let us know if you need any additional information or documentation from our office to facilitate this request. Thank you for your time and assistance. Best regards, Law Offices of Jamie B. 26-2482	I was outside sitting in my chair. Five kids ages 5-8 came kicking at my door. There were multiple kicks I thought someone was kicking my door down. They did not know that I was already sitting outside when they began kicking. When I stepped out, they began running and a little girl bumped into me. They took off running in the other direction and as they were running, I observed them bumping into one another and one little boy's elbow hit another little boy and his nose began to bleed. The kids then went to tell their mother that I was the one who hit the little boy in the nose, which was a lie. The mother came, beating on my door very hard. I opened my door and she cursed me out and then she threatened to call more people to come to my house. She left and came back with 10 people. She kicked the door in and busted my patio door. I ran into my room and called the police, this was my second phone call to the police. The police said to stay in my unit until they come. The police came and handcuffed me. I was put in the back of the car until they figured out what was going on. I was then released and given a case card to file charges.	11/02/2026 09:39:58 AM		Deihdra Washington
