| 25-1493 | Greetings, My name is Charles C. Booker, and I am currently conducting a dissertation study titled "The Long-Term Impact of Hurricane Katrina on Criminal Behavior and Criminal Records Among Low-Income Young Males in the 9th Ward of New Orleans". As part of my research, I am seeking detailed crime data for Jackson, MS, to compare pre- and post-Katrina trends. Specifically, I am looking for arrest demographic data, information on the impact of displacement on crime trends in Jackson, and comparative crime data between Jackson, MS, and New Orleans, LA, for the period following Hurricane Katrina (2005-2020). Could you please provide the following data for the years 2000-2020 (focusing on the post-Katrina period, starting in 2005)? Arrest records for young males aged 15-21 from 2005 to 2020. Annual data on violent crimes (murder, robbery, aggravated assault, rape). Annual data on property crimes (burglary, larceny-theft, motor vehicle theft). Annual data on society crimes (drug offenses, weapon violations). Crime rate comparisons between pre-Katrina (2000-2004) and post-Katrina (2005-2020). Demographic data on age, gender, race, and socioeconomic status of individuals arrested in Jackson during this period. Breakdown of arrest types (violent vs. non-violent crimes). If available, data on any post-Katrina trends in arrest rates for this group. Crime rate trends in Jackson before and after the displacement of individuals from New Orleans post-Katrina. The impact of displaced populations on crime rates, particularly among young males aged 15-21. Any reports or studies examining how displacement affected criminal behavior in Jackson during this period. Comparative crime data for Jackson and New Orleans, focusing on youth crime rates and arrest trends. Crime data for young males aged 15-21 in both cities post-Katrina. If these records are not available online, I would be happy to submit a formal public records request or visit in person to retrieve the data. Thank you for your time and assistance. I look forward to your response. Best regards, Charles C. | 25-1482 | Hi, I am the younger sister of a decedent by the name of Kenneth Ray Mcklemurry II. He was struck and killed by a vehicle on frontage Road off I-55 in Jackson, Mississippi on the ninth or 10 July. It is currently unclear to me, but there is a news report that it happened early in the morning of the 10th. He has severe mental illness and was trying to walk home and was possibly walking in the road in the middle of the night. We were told that the driver stayed on scene when the police arrived. My mother is distraught and having difficulty navigating all of this and my sister, which is the oldest sibling is unreliable. I am trying to find a way to have funeral costs covered, possibly through the insurance claim from the driver or some type of compensation for wrongful death. I am requesting the report to see what options I have with what was reported. | vrichard@jacksonms.gov | 07/14/2025 12:39:23 PM | | Shannon Mcklemurry |
