25-1530	Hello, I previously had an open request and I only received one court paper that simply said remanded. Immigration court is requiring all documents including the police report and the final dismissal paper. These are needed urgently please, as the case is time sensitive. Below I am reposting the original request and what is needed. Thank You My name is Darwin Mendoza Cruz and my birthdate is XXXXXXXX I am writing to obtain an arrest report record and court disposition records pertaining to arrest/charges. This request is being submitted due to a request I received from Immigration stating that I must obtain these records and submit to them. They are requesting every detailed report of arrest, conviction and dispositions, and court proceedings and if you no longer have the arrest report, I will need a certification of non-existence on the arresting agencies letterhead. I do not have any case numbers, as this if from 12 years ago. The exact date of arrest was on March 18, 2013 for domestic violence. I do not remember the exact date of the court hearing. The case was dismissed due to lack of evidence because she, the accuser, lied and made a false report and did not even show up for the court hearing. While in jail after being arrested, I was given bond and court hearing date but then detained by immigration and sent to Louisiana immigration detention center. from there I bonded out and was released. I then attended my court hearing at a later date, where charges were dismissed and closed.	vrichard@jacksonms.gov	07/20/2025 05:33:55 PM	Municipal Court; Police Department	Darwin Mendoza Cruz
