25-1394	I hope this message finds you well. I am writing to submit a request for a copy of the most recent Capital Improvement Plan (CIP) maintained by City of Jackson, Mississippi. This request includes any available documents. In reviewing the City's website and publicly available budget materials, I have found references to capital projects within broader financial and planning documents. However, I have not located a standalone capital plan document such as a multi-year capital improvement plan that outlines planned infrastructure investments, estimated project costs, timelines, and funding sources. To that end, I am requesting any currently adopted or proposed Capital Improvement Plan or capital project listing, preferably in PDF or other electronic format, that provides project-level detail over a multi-year period. Please let me know if there are any fees associated with fulfilling this request or if you require clarification. I am happy to work with you to ensure an efficient process. Thank you for your time and assistance.	vrichard@jacksonms.gov	06/26/2025 07:11:01 PM	Municipal Clerk	Dave Cox
