25-1731	Hey my name is Toni Brassfield, I would like to request a report for the accident that occurred on August 17th, 2025, at approximately 5:45 pm, I was driving on University Boulevard, after leaving Terry Road, heading towards West Silas Brown Street. As I approached the intersection, I had a green light and proceeded into the intersection. Suddenly, another vehicle appeared in front of me, attempting to turn left from the opposite direction. After the vehicle cut in front of me, my airbags deployed, causing injury preventing me from seeing clearly, and my vehicle continued into oncoming traffic, crashing into the light pole on the opposite side of the street. The other driver failed to yield to oncoming traffic, and I had the right of way. There is no turn signal at this intersection, so the driver should have yielded to oncoming traffic prior to turning. Due to the other driver's disruptive and irate behavior at the scene, I was unable to provide a statement to the authorities at that time. I believe the other driver was at fault. I am happy to provide this statement and cooperate further with the investigation. My case number is 2025 082096 as written on the case information card.	vrichard@jacksonms.gov	08/21/2025 10:17:56 AM	Police Department	Toni Brassfield
