25-1808	Pursuant to the Mississippi Public Records Act (Miss. Code Ann. §§ 25-61-1 to 25-61-17), I am writing to request a copy of the following public records: electronic copies of the current and active contract, as well as any amendments/renewals, between the City of Jackson and Tyler Technologies, as the vendor. *please note, this is the same as request 25-1658, which was paid for. However, I was not provided all of the records that were purchased. The document I received appeared to be missing exhibits. The request was for the active contract as well as any amendments/renewals. I only received the amendment, which mentions, "The terms and conditions contained in exhibit 2....." but there is no 'exhibit 2'. The amendment also states it is a 1 year contract, which would be expired. Can you please provide the original contract that this amendment pertains to, as well as exhibit 2 for the amendment? *For reference, I have uploaded the document that I received. Thank you for your cooperation. I look forward to receiving the requested information	vrichard@jacksonms.gov	09/08/2025 09:30:45 AM	Municipal Clerk	Sarah Harmon
