25-2076	Date: October 16, 2025 To: Public Records Officer, Jackson Police Department Email: publicrecords@jacksonms.gov Subject: Mississippi Public Records Request – Feb. 25, 2020 Homicide (David Lee Course / Bernard Williams) – Bodycam, 911 Audio, Reports, Photos, Dashcam, Surveillance, Interrogation Dear Public Records Officer: Pursuant to the Mississippi Public Records Act, Miss. Code Ann. § 25-61-1 et seq., I respectfully request access to and copies of specific public records related to the February 25, 2020 homicide of Bernard Williams in Jackson, Mississippi, and the subsequent discovery of his body in a large trash container behind an abandoned home on the 800 block of West McDowell Road on or about February 29, 2020. The principal suspect, David Lee Course, was arrested on March 2, 2020 and, as publicly reported, was later convicted and sentenced on June 20, 2022. This request is limited to records maintained by the Jackson Police Department (JPD) and is narrowly tailored to the incident and time period described below. Timeframe for Search - February 25, 2020 through March 5, 2020 (inclusive), except where an item below expressly references a later date. Records Requested: Please produce the following, to the extent they exist in JPD files for this incident/case: 1) Body-worn camera (BWC) video and audio: All BWC files, including associated audit logs and metadata (camera/unit ID, officer name/ID, start/end timestamps), from JPD officers who responded to: a) the shooting incident on February 25, 2020 in Jackson involving Bernard Williams; and b) the body discovery scene on or about February 29, 2020 at the 800 block of West McDowell Road. c) the arrest of David Lee Course on or about March 2, 2020. To keep this request narrow, I seek only BWC from the first responding units at each scene and the arrest location for the first six (6) hours of each scene response. 2) In-car/dashcam video: Dashcam video (with audio where available) from the first responding units to the same scenes and periods described in Item 1. 3) 911 audio and CAD/dispatch: a) Audio recordings of 911 calls and radio dispatch for the initial shooting response on February 25, 2020 and for the body discovery on or about February 29, 2020; and b) Corresponding Computer-Aided Dispatch (CAD) logs, event chronology, unit histories, and call detail summaries for those events. 4) Initial incident/offense and arrest reports: a) The initial incident/offense report and any supplemental investigative reports (restricted to those created between Feb. 25 and Mar. 5, 2020); and b) The arrest/booking report(s) for David Lee Course related to this homicide. 5) Interview/interrogation recordings and/or transcripts: Audio/video recordings and any available transcripts/notes of interviews or custodial interrogations of: a) David Lee Course; and b) named witnesses or involved parties specifically including (if applicable in JPD files): Erica Roby and Nadia Grieb. To narrow scope, I seek only interviews conducted between Feb. 25 and Mar. 5, 2020. If interviews exist outside this window, please advise and provide an index so I can further narrow. 6) Crime scene photographs/video: Photographs and any scene video captured by JPD personnel at: a) the shooting scene (Feb. 25, 2020); and b) the body discovery scene (circa Feb. 29, 2020). To narrow scope, I seek scene-overview and evidence-establishing images only (no autopsy photographs). 7) Surveillance video obtained by JPD: Copies of third-party surveillance footage collected by JPD that depict or are directly relevant to: a) the shooting incident; or b) the transport/concealment/disposal of the body near the 800 block of West McDowell Road. This request is limited to surveillance footage actually retained in the JPD investigative or case file(s). If JPD has assigned an incident or case number to this homicide, please include that number in your response and use it to locate the records above. If any item above would be more efficiently produced by providing an index or log (e.g., list of BWC files with officer IDs and timestamps), I am happy to further narrow based on that index. Format, Delivery, and Segregability - Please provide all records in electronic form via email or secure download link. For audiovisual items, standard native or near-native digital formats are preferred (e.g., MP4, WAV, M4A, PDF). - If you contend any portion of a record is exempt, please redact only the exempt portions and release the remainder, identifying the specific statutory exemption for each withholding and redaction. See Miss. Code Ann. § 25-61-5(2). - I am not seeking personal identifiers such as Social Security numbers, dates of birth of private individuals, home addresses/phone numbers of private parties, confidential informant identities, or juvenile information. Please redact such information as required by law and produce the balance. Public Interest and Closure of Investigation Given the reported conviction and sentencing of Mr. Course on June 20, 2022, it appears this matter is adjudicated. To the extent JPD relies on any investigatory exemption, please indicate whether the investigation remains open and the basis for continued withholding, and release all reasonably segregable non-exempt materials consistent with Miss. Code Ann. § 25-61-5. Fees and Fee Waiver/Reduction - I request a waiver or reduction of fees in the public	richard@jacksonms.gov	10/16/2025 09:54:30 AM	Police Department	Abdibasid Abukar
