25-2424	Our client, Demetria Yancy, was involved in an automobile accident on 10/16/2025 at approximately 7:30pm. The accident occurred in Jackson at the intersection of Highway 80 and Terry Road in Jackson, Mississippi. Capitol Police investigated this collision. I observed a traffic camera affixed to a utility pole at this particular intersection (Highway 80 and Terry Road) in Jackson. See attached photograph. I already submitted a request to you (Request# 25-2420) however I received a response that stated there are "no records" available and I was told to contact the Capitol Police. I did so—and the Capitol Police explicitly stated that this traffic camera is operated by Jackson Police Department. See attached screenshot of their email. Furthermore, Jackson city/PD confirmed this is your camera. REQUEST: Again, I ask that you please email me footage from this camera that likely captured our client's accident. 25-2416	Subject Details First Name: Keeunna Middle Name: Rashad Last Name: Welch DOB: XXXXXXXX Description: Black Male, Brown Hair Height: 5'7" Weight: 167 lbs Narrative We are a Workers' Compensation firm in the Atlanta area. We are representing Mr. Welch's Employer in a claim he filed for benefits from an injury at work. We received records from Atlanta Police Department about Mr. Welch's recent arrest on 10/08/2025. In the response to that request, we learned that Mr. Welch was convicted in Jackson, MS for a murder committed on 03/15/2017. We then learned that he was released from Fulton County Jail on 11/25/2025. Mr. Welch's attorney informed us that he "moved" back to Mississippi soon after he was released. We are requesting records related to Mr. Welch's prior criminal conviction in Mississippi, as well as the terms of his "move" back to Mississippi. It is our belief that Mr. Welch was ordered back to Mississippi, potentially for a probation violation or something similar related to his 2017 conviction. Any details would help in our ability to resolve Mr. Welch's workers' comp claim.
