25-2148	<p>Hi, We are conducting a research project and kindly request your assistance in providing the following permit data points for the specified date range 01/01/2021 – till date.</p> <ul style="list-style-type: none"> <li>• Permit Number</li> <li>• Issued Date</li> <li>• Contractor Business Name and any other details.</li> <li>• Work Location</li> <li>• Valuations</li> <li>• Detailed Description of the Project</li> <li>• Application Date</li> <li>• Final Date</li> <li>• Permit Type &amp; Subtype</li> <li>• Property Owner Business Name and any other details.</li> </ul> <p>Please note that we need Residential and Commercial "Building, Electrical, Mechanical, Addition/Alterations, HVAC, Electric Vehicle Charging Stations, Service Upgrade/Panel upgrade /Repair/Replace, Solar/PV permits" issued in that time frame. Ideally, it would be best if you could send all available permit types without filtering for the specific ones mentioned earlier. This allows us to handle the filtering on our end, reducing the effort needed from your staff to send this data. If specific data points are unavailable, please share whatever information you have for the permits. If possible, we would appreciate the data in an electronic format such as CSV or Excel. If electronic data is not available, please provide guidance on obtaining the data efficiently. If you have any questions or require us to fill specific forms for data request, please let us know. Thank you for considering our request. Regards, Chris Collins</p>	vrichard@jacksonms.gov	10/27/2025 01:10:26 AM	Planning-Building Permits	Chris Collins
