26-938	I'm looking for information regarding a homicide case involving my late grandmother and aunt, Phyllis Lynne Hickman Nail and Shannon Danyell Middleton. They lived together on Carleton Street off of McDowell Road in Jackson at the time of their deaths. During the early morning hours of August 23, 1998, their house burned down with them both still inside. Their cause of death was ruled as smoke inhalation, but the State Fire Marshall's office inspected their home and found evidence of arson. This became a criminal case and was then assigned to the Jackson Police Department. My mother told me the lead investigator on the case lost his position with JPD sometime after this occurred. I don't have a case number. I'm sure at this point this is most likely a cold case. I would like to request a copy of their case if possible. This event changed the entire trajectory of my life and has affected it ever since. Please let me know what I can do to find this. thank you so much.	ppalmer@city.jackson.ms.us	05/01/2026 11:18:31 AM	Police Department	Gracie E. Cloud
