Preservation. Because 911 audio and dispatch records are commonly subject to short retention and routine purge cycles, I respectfully request that all records described above be immediately preserved and exempted from any routine destruction pending the fulfillment of this request. Please treat this letter as formal notice that these records are relevant to a pending insurance claim and anticipated litigation. Please respond within seven (7) working days as required by Miss. Code Ann. § 25-61-5. If any portion of this request is denied, please identify the specific exemption relied upon in writing as required by Miss. Code Ann. § 25-61-9, and produce all reasonably segregable non-exempt portions. I agree to pay reasonable reproduction costs; if the estimated cost will exceed \$100.00, please contact my office with an estimate before proceeding.
